Definition of “Preferred access” for IA members to MCF and AMF

MCF

MCF Corporate Membership provides a discount for volume users of the facility. For companies who join the Nanoscience & Materials Industrial Affiliates program, an additional benefit is provided that allows the company to schedule use of any equipment up to 2 weeks in advance instead of the normal scheduling limit of 3 days in advance.

AMF

Industrial Affiliate members are provided preferred access to AMF equipment by being able to schedule use of any equipment up to 2 weeks in advance
