

MISA 2023

Materials Innovation *for* Sustainable Agriculture

November 30th 2023
Orlando, FL

Join us for
The 8th Annual MISA Symposium
at the MAGNOLIA – LIVE OAK EVENT CENTER
UNIVERSITY OF CENTRAL FLORIDA
4115 Pyxis Ln, Orlando, FL 32816

- Meet researchers working at the forefront of sustainable agriculture
- Learn about advances in nanotechnology for future solutions to improve agriculture
- Meet our industrial partners

Register [here](#) to attend the symposium
