12:00 P.M. - 5:00 P.M.

As the global nanotechnology market is exploding and expected to hit the \$125 billion mark by 2024, the nanotechnology field provides millions of rewarding careers at the cutting edge of science.

Discover your future by attending our open house and being a part of the excitement. Learn about our master's program and get a behind-the-scenes look at the groundbreaking research from our students and faculty.

Tour our laboratories and meet current students, faculty, and staff. Prospective students will receive free pizza, refreshments, and prize wheel giveaways – first come, first served.
